A Rural Dining Adventure

MEDIA RELEASE FOR IMMEDIATE RELEASE

Taste of Julian: Julian's 11th Annual Celebration of Julian Faire Shows there is more to Julian than Apples While apples will always be revered by the hamlet of Julian, we have more than apples to celebrate and Taste of Julian is designed to do just that...celebrate the deliciously diverse culinary delights Julian has to offer. On May 18, 2019 from 1pm to 5pm,

Taste of Julian will, once again, offer a great food and beverage adventure that includes appetizers, entrees, desserts and beverages provided by some of Julian's finest dining establishments. A self-guided eating tour, Taste of Julian allows its participants to learn more about Julian's rich history, browse its charming shops, and enjoy its old-fashioned ambiance while sampling gourmet treats all along the way. And, of course, there will be no shortage of Julian's famous apple pie!

"A ticket to Taste of Julian is like a passport to sample menu specialties from Julian's most popular eateries," explains Tracy Turner, of the Julian Chamber of Commerce. "Although you'll be able to sample our famous apple pie, you'll see that there's a lot more in Julian to whet your appetite."

Taste of Julian is sponsored by the Julian Chamber of Commerce and is a fundraising event benefiting the protection and enhancement of Julian's historic district. For more event information and for ticket purchases, visit www.atasteofjulian.com or call the Chamber of Commerce at 760-765-1857
