

For Immediate Release

**Julian Celebrates California Restaurant Month 2020
Julian invites locals and visitors alike to experience Julian's variety of cuisines**

Julian, California, December 12, 2019 – Julian will kick off 2020 with many of our local restaurants participating in the tenth annual California Restaurant Month, celebrating Julian restaurants, chefs and their culinary creations.

In January, restaurants throughout Julian will offer special menus and a weekly “Sweet and Savory” theme, perfect for the cold, crisp weather Julian is known for during the first month of the year. Julian has 11 participating eateries in 2020.

Julian’s culinary scene is gaining recognition as a place for “foodies.” New restaurants and old favorites align to create great dining experiences for couples, families and groups, alike.

To add some fun to the mix, each restaurant will be handing out raffle tickets to those who dine with them for the promotion and at the end of the month one lucky winner will receive a gift certificate to each participating restaurant as well as other goodies and certificates from Julian merchants and activities.

Details on the month-long offerings can be found at www.dineinjulian.com. Diners with questions may contact Robin at the Julian Chamber of Commerce at 760-765-1857 or via email at marketing@julianca.com
