

County stimulus grant – Cares Act Funding

- Can get reimbursement for alterations to business for COVID compliance
- Apps are set to be accepted til 10/16 – but get in ASAP.
- Julian District deadline is 8/15
- The awards are “rolling”
- Expenditures are from 3/1 to December 31

- 3000 applications have already been received. Be patient
- September 15 is first round of allocations. (different from what I heard previously).
- Grant request size ranges from 1k to several hundred thousand.
 - Most likely a few thousand per grant. So as to be able to serve as many as possible.
- Selection – each district reviewing each application individual. NOT First Come First Serve
- Email responses pretty quick – many are monitoring.
- You are still eligible if you applied elsewhere. But pay attention to the rules on other funds received.
- Allocations are prioritized for certain sectors. Sectors have not been released.

SD and imperial SBDC

ACCION – 1% loan – be sure to investigate.

Main St. Lending Program

- min loan is 250K – not for microbusinesses
- Work with your own bank
- 8 million applications so far
- Compliment to the EIDL loan
- Short term Working capital loan – sells back to the US Treasury
- Lender fee paid for at 1%
- Interest rate prime +3 (less than EIDL)

- 5 year loan base – biggest payments come in year 3

Community Advantage Loan

- Small business – first 6 months SBA pays for the loan.
- I did some research and found this website - <https://cdcloans.com/small-business/start-buy-expand-a-business/community-advantage-loan/>

EIDL loans are re-open – there are no more advance funds available

PPP

- Built the plane as they have been flying it
- Still available through August
- Most questions are about forgiveness
 - Be patient – 6 month deferment
- Regulations on processing forgiveness are just now being developed.
 - 60% payroll
 - 40% on utility
 - Be sure to document.
 - Banks are still working the create systems/portals
 - Please remember it is a 1% loan and even if it is not forgiven, it is a very low cost loan.
 - You may, at a future date, convert loan with your own bank.

Temporary Outdoor Business Operations – This is the SD CITY Model.

I share here as an example of what unincorporated areas should use as a model.
